You're going to be in great hands with Charlie or Jeffrey! Here's a little info about each of them:

- **Charlie Wright** is nicknamed "The Pain Detective" because of his unbelievable ability to find hidden causes of pain- has over **40 (!) years of experience** as a bodywork and pain-relief specialist. In addition, Charlie was the Director of Athletic Training and Wellness Program Director at Warren Wilson College for 16 years.
- **Jeffrey Rich** brings over **20 years of medical and orthopedic massage expertise**. In addition, he has over 15 years of experience writing and teaching massage curriculum for two different massage schools and continuing education programs. He also helped bring Oncology Massage to the Alabama hospital community.

We look forward to meeting you soon!
